APPLICATION FOR HIGH SCHOOL BURSARY SUPPORT

Kindly Acknowledge my application. My name is Nomphilo Msibi from Mnyokane Under Nkhaba inkhundla in the Hhohho region , who graduated my JC certificate in the year 2021. Unfortunately due to high cost of school fees I could not continue to high school education.

I write this letter to respectfully ask the Lihle Lemswati foundation to support me with the cost of returning to school for form 4 to form 5 at Enhlitiyweni High School. This include school fees, book fees and other fees the school may require. My Parents will do their best to provide me with uniform and transport money. My parents are both unemployed, they earn living just by selling vegetables.

I promise given any opportunity to continue my studies I will work hard and make the most of it. I am determined to improve my results and build a better future through education. I would be happy to provide any further information you may need. You can reach my parents on 79912513 or 76281717, or contact me on 79479664.

Thank you for considering my application, I will be truly grateful for your support and hope tom hear from you.

Kind regards

.....
